The drought or the Tap-Out, as everyone calls it has been going on for a while now. Everyone's lives have become an endless list of don'ts: don't water the lawn, don't fill up your pool, don't take long showers.

Until the taps run dry.

Suddenly, Alyssa's quiet suburban street spirals into a warzone of desperation; neighbours and families turned against each other on the hunt for water. And when her parents don't return and her life and the life of her brother is threatened, Alyssa has to make impossible choices if she's going to survive.
