GABRIEL -- His Eyes Made Sizzling Promises His Lips Vowed to Keep...

Drawn to the old house by an intriguing letter and a shocking vivid dream, Dr. Gabriel Richards came in search of a tormented ghost -- but instead found a sassy blonde with dreamer's eyes who awakened old pain of his own. Angie Parker was two parts angel to one part vixen, a sexy, skeptical single Mom who suspected a con-- but couldn't deny the chemistry between them, or disguise her burning need.

Passionate Fireworks, Insatiable Kisses

Determined to court the irrepressible flirt who'd gotten under his skin, Gabriel pursued her with tender fierceness, wooing the sweet tigress who protected all those she loved, but who'd never known how it felt to be cherished. Together they struggled to believe the impossible, to free the anguished spirit that shadowed their happiness. Could a century-old mystery reveal the powerful magic of love?
